

Special Projects Grant Application Instructions

The ASET Foundation accepts applications for funding in the following categories supporting the field of neurodiagnostic technology. Applications must be received by June 1 and are evaluated within six weeks of the filing deadline.

Please check one or more categories that describe your request:

- Neurodiagnostic curriculum development
- Neurodiagnostic educational publications development
- Neurodiagnostic educator development
- Neurodiagnostic clinical site support
- Other project supporting ASET Foundation's mission

Note: The ASET Foundation will not fund research on products or equipment for neurodiagnostics, nor will it fund capital equipment for clinical practice in neurodiagnostics.

All applications, including all supporting documentation, must be submitted electronically either as Word or .PDF files. Proposals submitted by facsimile will not be accepted.

Applications from entities other than the ASET Board of Trustees must provide the following with their application:

1. Describe the organization's history, major accomplishments and programs or activities.
2. Who are your constituents? (be specific about demographics such as gender, ethnicity, age, sexual orientation and people with disabilities) How they are actively involved in your work and how do they benefit from this program and/or your organization?
3. If you are a state, regional or national organization, describe your work.
4. Attach your organization's budget for the past two years, and the current year.
5. Provide a copy of your most recent IRS tax return.
6. List of board members and a copy of your current bylaws.
